OUR SIGNATURE COLLECTION

Welcome to the first of our signature collections, designed to commemorate The Italian Job Tour 2011. All products have been selected for their comfort, style and quality. These uniquely designed logos are only available through this club.

We want everyone to enjoy wearing our range on this most memorable trip, so we are offering our logos in some feminine tones that are less highly fuelled! If you have a special request please let us know and we will do our best to help.

All our ranges are being redesigned and will be available from our website at:
